Total Operation Iraqi Freedom Casualties 518

Casualty Definitions

- MCO P3040.4E (MARCORCASPROCMAN)
- Standardized throughout DoD

Casualty

- Any Marine lost to the organization having been declared deceased, DUSTWUN, missing, ill or injured.

Occurs any time…any place!

Reportable Casualty Status

- Term used to classify a casualty:
  - Seriously Ill or Injured (SI)
  - Very Seriously Ill or Injured (VSI)
  - Special Patient (SPECPAT)
  - Not Seriously Injured (NSI) (mass only)
  - Duty Status Whereabouts Unknown (DUSTWUN)
  - Missing
  - Deceased

Duty Status Whereabouts Unknown (DUSTWUN)

- A transitory casualty status used when the responsible commander suspects the Marine may be a casualty, absence is involuntary, but sufficient evidence does not currently exist to make a definite determination of missing or deceased

Missing

- Status applicable to a Marine who is not present at his or her duty location due to apparent involuntary reasons and whose location may or may not be known:
  - Excludes personnel in an absent without leave (AWOL), deserter or dropped-from rolls status

Deceased

- A Marine who is either known to have died, determined to have died based on conclusive evidence, or declared dead based on a presumptive finding of death.
  - The recovery of remains is not a prerequisite to declare a Marine deceased

Personnel Casualty Report (PCR)

- **Primary source of information** used in notifying the NOK

UNCLASSIFIED

- Administrative rather than operational
  - Sent immediately to MRC from the reporting unit
  - Contains accurate/verified information
  - Supplemental report if necessary

Mass Casualty

- Any large number of casualties occurring in a relatively short period of time, usually as the result of a single incident, i.e., MV-22 crash, bus accident.
  - Mass casualty PCR must be submitted for 5 or more personnel. Individual PCR's must follow.

Next of Kin (NOK)

- PNOK - Person most closely related to the casualty (Only one (1) Primary NOK)
  - Normally directs disposition of remains and personal effects
  - Approves release of information to third parties
- SNOK - All other NOK
- PADD - Person Authorized to Direct Disposition of Remains
- PERE - Person Eligible to Receive Personal Effects

NOK Order of Precedence

- Per Title 10 USC
  - Surviving spouse
  - Children (natural, adopted, step)
    - Minors cannot make disposition of remains
  - Parents in order of seniority
    - Unless granted sole custody
  - Brothers/Sisters in order of seniority
  - Grandparents
  - Other relatives in order of relationship

Beneficiary

- Individual designated to receive death benefits

- **Does not make this individual the PNOK!!!!!!!!**

Escort

- Individual assigned to accompany the remains from place of demise to place of burial
  - One escort funded by CMC
  - Travel from OCONUS to CONUS (Aircraft Commander acts as escort)

- Special escort may be requested by NOK (can be anyone, family, friend, etc.…)

Casualty Assistance Calls Officer (CACO)

- Individual responsible for representing the Commandant and the Marine Corps with the NOK.
- Acts as advisor
  - Serves as liaison with other agencies (VA, SSA)
  - Assists with funeral arrangements
  - Assists with completion/submission of claim forms

CACO Selection

- Unit tasked by MRC
  - Any unit having sufficient assets to provide notification and assistance
- Unit selects and assigns CACO
  - SNCO, Warrant or Commissioned Officer
  - Equal or higher rank than deceased
  - Possesses ability to represent the Marine Corps with the local community
